KAYSEE DEGREES
 Wednesday and Thursday of this week, the Knights of Columbus will confer degree work upon about twenty-five members of the local order.

At Miners' Union hall on Wednesday evening, first and second degrees will be conferred upon a number of the members and on Thursday afternoon at 4 p. m., at Miners' Union hall, a few members will receive the third degree. The third degree is the highest in the territory, and this is the first time in nearly two years that it has been conferred upon members of the Globe lodge. As a result, much interest is manifested in the coming work of the order.

The degree work will be in charge of Frank E. Coles of Bisbee, who is the present district deputy, and he will be assisted by his degree team. In addition to Mr. Coles and his degree team, there will be present during the degree work, Robert E. Morrison of Prescott, past state deputy of the order. A large delegation of members of the Knights of Columbus from various parts throughout the territory will also be in attendance.

Thursday evening the local order will entertain the visitors at a banquet, which is to be held at Library Hall, North Globe.

WHIST CLUB
 Mrs. E. M. Hurd entertained the Duplicate Whist club Saturday evening at her home, 165 South Devereaux street. Messrs. Ephraimson, Scott and McKillop were present as substitutes for the members, who were unable to attend. The meeting was a pleasant one and after the games were finished dainty refreshments were served.

CHANGE OF MEETING
 The ladies of the Macabees will hold their regular business meeting to-morrow evening at Fashion Hall, instead of Thursday. This change was made because Thursday of this week is Thanksgiving Day and it was not deemed advisable to meet on that night. A large attendance is desired.

CHILDREN'S MASQUERADE
 Arrangements for the children's masquerade to be held at Dreamland, December 10, are rapidly being completed. Among the features of the evening will be the "Glow-Worm Drill" by all the children in costume, and a fancy dance by Madeline and Angelus Lee. The time is growing short until December 10, and all the boys and girls, who expect to be prepared by their parents for the occasion, should be getting on their thinking-caps and planning their costumes. May dresses are all ready, even now. The boys are not to be slighted, either, and it is hoped that many will be interested.

During the early part of the evening the dancing floor will be cleared for the children exclusively, and later the older folks may join them.

As has been announced before, the tickets for the grown-ups will be 50c, and for the children, 25c. Any child who sells ten tickets is entitled to receive one ticket free. Much interest is being shown in this event for the children, and a large attendance is anticipated.

KNIGHTS OF MACABEES
 The Knights of the Macabees will hold their regular business meeting to-morrow at Odd Fellow's hall.

The meeting will be held at the Dominion hotel and will be called to order at 8 o'clock.

The meeting promises to be an interesting one and it is probable that other matters than the election will be taken up. A full attendance of the members of the board of governors is desired.

TAG DAY BRINGS IN GOOD SUM FOR CHURCH
 Enthusiastic Workers Busy All Day Labeling the Untagged

Tag day was a complete success, judging from the number of people seen adorned with tags, and from the happy smiles upon the faces of the taggers. The zeal of the latter was unflagging, and all day long they were busy hunting out the untagged people.

Many of the contributors are known to have been very generous, but the exact amount received will not be known until today, when all taggers will have handed in their boxes. The interest taken by the citizens of Globe in this worthy work is very gratifying, and it is assured that the building fund of the Presbyterian church, to which the proceeds are to be devoted, will be very materially increased.

COMMERCE CHAMBER TO MEET TONIGHT
 Important Matters Will Be Up for Discussion

At an important meeting of the board of governors of the chamber of commerce, to be held tonight, officers of that body will be elected.

SCHOOL SCANDAL IS SENSATION IN PHOENIX
 Yuma Superintendent Is Accused of Being Educational Imposter

PHOENIX, Ariz., November 22.—The school scandal which has been brewing for some time, and given slight publicity to the annual meeting of the Territorial Teachers' association ten days ago, has culminated in the filing of charges before the territorial board of education, by Kendrick C. Babcock, president of the University of Arizona, against A. H. McClure, superintendent of the Yuma public schools. The charges accuse McClure of lying deliberately to Babcock, of which the latter claims to have documentary proof; unprofessional conduct warranting severe discipline; misrepresentation of conditions in attempting to secure Babcock's recommendation for a principal of the Yuma high school; using the title of Ph. D. on stationery, and when pressed for the right to do so naming the authority of a college unknown to the bureau of education at Washington; presenting a diploma, apparently altered and alleged of doubtful authenticity; submitting in territorial competitions as the work of Yuma pupils, work done outside of the school. Other specifications charged by Babcock on hearsay, but of which he does not claim to have absolute proof, are that McClure maintains a teachers' agency, charging fees to those for whom he secures positions. The complainant believes him an educational imposter.
